III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Chemin de la Joliette 8, CH-1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>

Government taxes deducted from prize money: 15%

Payment of prize-money beyond 200€ will be paid out by bank transfer per athlete (neither per horse responsible nor per horse owner) within 10 days after the CDI. For this purpose the NF's are requested to state the bank information (name of recipient, bank name, bank code, account number, IBAN and BIC codes) of their athletes together with the online entries. In case the money transaction does not go through due to incorrect or incomplete bank information, the OC reserves the right to charge a lump sum of 50€ for any handling fees charged by the bank.

The Organising Committee is authorised to deduct any possible outstanding duties from the payment. Each athlete is obliged to forward the prize-money as well as any reimbursement to the respective horse owner. Each athlete is requested to check and sign the final account at the accounting office before departure. The horse passports will only be handed out after the accounts have been settled.
